

“Commitment is what transforms a promise into reality.”

ABRAHAM LINCOLN

Real commitment, a must

Be clear on the decision

What do we agree?

Who is implicated?

Make a commitment

<p>What is the expected impact ? What consequences do we accept?</p>	
<p>Can you decide? What means do you need to follow through?</p>	
<p>Who else needs to be involved (RACI)</p>	
<p>What's plan B ?</p>	
<p>What is the consistent first action/next step?</p>	
<p>How will we know you're on track?</p>
